

Project Avatarah: License Information

1. The assets for Cogswell the Dragon has been licensed under [Creative Commons Attribution 4.0 International License](#). This includes all of the contents included in this zip archive.
2. You can freely reuse and distribute this content, also commercially, as long you provide a proper attribution (a short credit) to Cogswell Polytechnical College.
3. You may not use any logos of Cogswell Polytechnical College or associated trademarks
4. Cogswell Polytechnical College is allowed to show any work on our website to help further promote Project Avatarah

Examples

- You are free to re-upload and share the zip file. As long as you include the original credits.txt and give proper attribution as mentioned above.
- You can use textures and Maya files from the archive, also in commercial projects. Just make sure we get our short credit!

Please support Project Avatarah by downloading our creature assets from the Cogswell College website only!
