## PERFORMANCE FACT SHEET DEFINITIONS

Variable	Definition
Calendar Year	The year being reported
Number of students who began program	Number of students that when they signed their enrollment agreement were given an estimated completion date in the year being reported and did not cancel within 7 days of their enrollment.
Students Available for graduation	The number of students who began the program minus the number of students who before graduation have died, were incarcerated or were call to active military duty.
Graduates	The number of students that begin the program and graduated by the date that was listed in their enrollment agreement, when that date was in the reporting year.
150% Graduates	The number of students that begin the program and graduated after the date that was listed in their enrollment agreement but within 150% of the date that was listed in their enrollment agreement, when the graduation date was in the reporting year.
Completion Rate	$\text{Graduates} \div \text{Students Available for Graduation}$
150% Completion Rate	$150\% \text{ Graduates} \div \text{Students Available for Graduation}$

# COGSWELL COLLEGE PERFORMANCE FACT SHEET

## PERFORMANCE FACT SHEET DEFINITIONS

Variable	Definition
Calendar Year	The year being reported
Number of students who began program	Number of students that when they signed their enrollment agreement were given an estimated completion date in the year being reported and did not cancel within 7 days of their enrollment.
Students Available for graduation	The number of students who began the program minus the number of students who before graduation have died, were incarcerated or were call to active military duty.
Graduates	The number of students that begin the program and graduated by the date that was listed in their enrollment agreement, when that date was in the reporting year.
150% Graduates	The number of students that begin the program and graduated after the date that was listed in their enrollment agreement but within 150% of the date that was listed in their enrollment agreement, when the graduation date was in the reporting year.
Completion Rate	$\text{Graduates} \div \text{Students Available for Graduation}$
150% Completion Rate	$150\% \text{ Graduates} \div \text{Students Available for Graduation}$

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the
