Cogswell College is seeking a full-time faculty member and Program Director of Engineering. This is a ten-month position to begin August 2013.

We seek an outstanding candidate with significant work history and experience in administration and teaching and in-depth knowledge of curriculum pertaining to Software Engineering. The successful candidate will have experience in and digital media or visual simulation.

**Duties:**
- Teach three classes per academic year
- Work closely with the Program Directors of Digital Arts and Animation, Game Design, Digital Audio Technology to ensure the Program's health, viability and growth for the future
- Hire, manage and evaluate full-time and adjunct faculty in accordance with College policy
- Maximize existing resources, while working collaboratively to develop and implement a long-range strategic plan for the program
- Represent the program on key College-wide and Faculty Senate committees
- Build and maintain community and industry relationships, including project partnerships, student opportunities, and participation in organizations and advisory boards
- Prepare and administer the program budget, schedule classes, direct program reviews, lead and monitor assessment activities in the program
- Assist admissions as the program knowledge leader

**Qualifications:**
Desirable:
- An earned PhD in related field from a regionally accredited institution
- Professional experience in the field of digital media, simulation, animation, or game
- Experience with regional accreditation processes and expectations

Required:
- Master's degree from a regionally accredited institution and commensurate professional experience
- Successful college level teaching experience
- An ongoing engagement with best practices related to pedagogy, retention and student learning
- A commitment to both faculty and staff development, in the context of a hands-on teaching institution

**Application Materials**
Qualified applicants must send the following:
1. Letter of interest
2. Curriculum Vitae
3. Brief statement of teaching philosophy
4. Names and contact information of three professional references (no letters at this time)

**Deadline:**
Qualified candidates should send the following materials by April 30, 2013.

**Send application package to:**
